

ALCHEMY® fine china

# coast

Undeniably appealing, the Alchemy range of exquisite fine china is designed exclusively for the professional. This premium collection adds a unique ambience to any interior whilst also offering outstanding versatility and durability.

Coast by Bodo Sperlein is a fluid design with a gentle pooling effect that captures the forms and rhythms of nature. The simple understated appeal of this organic inspired design compliments the stunning pure whiteness of Alchemy.

A range of innovative contemporary shapes, and striking signature pieces, Coast offers the creative opportunity to enhance existing Alchemy whiteware, bringing a theatrical flourish to any fine dining experience.
