Oval

We have an assortment of melamine oval dishes and trays which are ideal for serving food at buffets. They are available in various styles, colours and sizes which make a great alternative to ceramics as they are light weight, chip resistant and extremely durable.

Have you seen our new deluxe oval platters, T131608 and T29808 these are thicker than our standard platters and are extremely stylish. They look fantastic when used in counters and are perfect for buffets.

Oval

Oval is an ideal alternative to square and round, it looks great when serving large amounts of food and can accentuate certain items making them irresistible.

Our oval dishes 1317 and 1318 are perfect for presenting large fish such as salmon or if you can't find the exact size you are looking for then call our sales team for further assistance.

Create more impact in your display with our space efficient Melamine Shield Plate. This one piece sloping plate angles food directly towards the customer giving optimum display presentation. Compared to a traditional oval platter our space efficient Shield Plate allows you to fit more trays into your deli display. Use our Shield Plate to create promotional hotspots within your display.
